BARCELONA'S BANNER

SEPTEMBER 2006

Pass through, pass through the gates;
Prepare the way for the people.
Build up, build up the highway!
Remove the stones.
Raise a banner for the nations.

Isaiah 62:10

GOD GAVE US A BOOST

Hallelujah! Jett has now been seizure free for 10 weeks! He has his Boost nutritional drink every day and the Lord is healing his brain. Praise be to our merciful and faithful God! Thank you to everyone for your prayers and encouragement. At our next doctor appointment, we will ask to have Jett retested for confirmation of a complete healing.

TRAINING COMPLETED

In June we traveled to Springfield, Missouri, to attend 2 weeks of Assemblies of God pre-field training. We were blessed with a fantastic MK (missionary kid) program for the boys and were able to spend time with a couple who had planted a church in Barlcelona for the Catalonians. Again this summer, Craig's family drove to see us between classes.

ON THE MOVE

Our house sale was completed in July and we are now living in the next town in our "missionary house" which we bought from a gal heading off to serve with Mercy Ships. This is the place we plan to rent while we are on the field and have been busy coordinating repairs, etc. Please note our new address and phone number and email address below! The boys will be attending a Christian school this year and we anticipate a smooth transition for them both.

WHAT'S NEXT

As we transition into the fall, we look forward to resuming our visa processing and fund raising efforts. Once we receive our visas (6-8 months timeframe), we will have 90 days to find a renter for our home, sell our cars, etc. and leave the country. We trust God to work out the simultaneous timing of the visas and the necessary funds.

THANK YOU

We are increasingly humbled as the months stretch out, and our faithful supporters hang in there with us to see our calling fulfilled. We pray abundant blessings on each of you!

INTERNATIONAL CHURCH OF BARCELONA

Please pray for the church in Barcelona as the senior pastor and his wife prepare to return to the States on furlough. In Jesus' name, we declare that the nations are our inheritance!
